

TPM Ommen (NL) – 20. – 24 October 2024

Day 1 – Sunday, October 20

The final Transnational Project Meeting (TPM6) of the SAVLAR project began with the arrival of participants in Ommen. The team gathered at Hotel De Zon, located near the river and within walking distance of the train station.

In the evening, participants had the opportunity to dine together, providing an informal setting to reconnect before the official sessions began.

Day 2 – Monday, October 21

The first official working day started with a welcome session, introducing the key topics of the meeting, including the SAVLAR project movie and the finalization of the survey results.

Participants were divided into two working groups:

- Group 1: Focused on developing the scenery for the SAVLAR movie, which will serve as a key dissemination tool for the project.
- Group 2: Worked on analyzing the survey results and compiling the final report, ensuring all findings were accurately documented.

After a lunch break and a short walk, both groups presented their progress. This led to a discussion session where feedback was gathered, and final adjustments were made. The day ended with a rehearsal for the movie, ensuring that the planned scenes aligned with the project's objectives.

In the evening, the group enjoyed a dinner offered by Vechtdal College, providing another opportunity for informal discussions.

Day 3 – Tuesday, October 22

The focus of the day was recording the project movie, an essential tool for showcasing the impact of the SAVLAR project. The team traveled to Landstede Zwolle, where filming took place in a professional educational setting.

After a lunch break, the afternoon program included a guided city walk in Zwolle, providing an engaging cultural experience.

The evening concluded with a dinner at Vechtdal College's "Tast Toe" restaurant, prepared and served by students, emphasizing the importance of hands-on learning in education.

Day 4 – Wednesday, October 23

The final day focused on ensuring that all project outputs were finalized and fully prepared for dissemination. Discussions covered:

- A final review of the project movie and its role in outreach efforts.
